BYO FRIEND!

62 Garden St Narrabeen 9970 8855

SEW TOGETHER!!

Course Descriptors:

2 week- Know your machine and Intro to fabrics

In this class you will learn all the basic functions of your sewing machine and all its gadgets. You will also gain an understanding of different fabric types and how they affect your machine

2 week- Basic mending and mastering Hand & Sewing Techniques

This is a course for those with no idea how to fix those everyday annoyances like adjusting hems, sewing buttons, patching up that favourite item too good to sit in the wardrobe.

4 week- DIY Alterations

For those with some confidence on their machine. Bring in that pile of clothes sitting around and gathering dust and get ready to alter like crazy! Fabulous hands on course.

6 week- BYO Project intermediate- adv.

Guidance class totally designed around your project/ pattern/ idea.

6 week- Introduction to Pattern Making Principles

Sew a skirt from pattern to finish. This is a course designed for students who want to understand the whole sewing jigsaw puzzle

6 week- Fashion Illustration

Got the ideas for fashion but can't communicate them onto paper? This course will help you to develop "the other side".

10 week- Become a designer (Private only)

This is an intensive course for those with sound sewing skills & a desire in knowing how to actually make a business out of your creativity. Valuable info on the ins and outs of the fashion industry.

Workshop (restarting October) Visiting UK Embroidery Artist **Freya Zinovieff** is holding **Artistic Textile Workshops**. Each session will be 4 hours and you will learn some fantastic tricks using soluble muslin to create stunning floral arrangements to use in artwork/ fashion/ millinery or display.
